

This year we are lucky enough to be hosting our very first fishing competition – Rippa Rods Whitsundays Family Fishing Competition – over the May Day Long Weekend (1st & 2nd May 2021).

We are extremely lucky to live in one of the most beautiful regions of Australia, and this weekend will have our competitors exploring their own backyard to land the biggest catch. From the beautiful surrounding reef and islands to the always flowing Proserpine River, targeting 9 selected species over this Rippa Weekend.

Events like this wouldn't be possible without our wonderful sponsors and their kind donations that have gone towards our prize pool. Below is a list of all the wonderful local companies apart of our Rippa Rods Whitsundays Family Fishing Competition.
